The Health and Safety Policy at Violet Way Academy has 5 parts;

Part A - Introduction

Part B - The Health and Safety Policy Statement

Part C - Management Arrangements

Part D - The detailed arrangements & procedures for Health, Safety and Wellbeing within the academy

Part E - The Key Performance Indicators

A. Introduction

This policy statement complements (and should be read in conjunction with) the [Fierte Trust Health and Safety Policy](#). It records the local organisation and arrangements for implementing the Trust policy.

B. Policy Statement

The requirement to provide a safe and healthy working environment for all employees is acknowledged and the Violet Way Academy Governing Body recognise and take responsibility for compliance with the statutory duties under the Health and Safety at Work Act 1974.

The Governing Body will ensure so far as is reasonably practicable that:

- all places and premises where staff and pupils are required to work and engage in academy activities are maintained in a condition which is safe and without risk to health. (This includes the health and safety of persons on the premises or taking part in educational activities elsewhere.)
- all plant and equipment is safe to use and that arrangements exist for the safe use, handling and storage of articles and substances at work.
- appropriate safe systems of work exist and are maintained.
- sufficient information, instruction, training and supervision is available and provided to ensure that staff and pupils can avoid hazards and contribute in a positive manner towards their own health and safety and others.
- a healthy working environment is maintained including adequate welfare facilities.

In addition to the above the academy will ensure that so far as is reasonably practicable that the health and safety of other non-employees is not adversely affected by its activities.

Employee involvement is an important part of managing safely, and consultation on health and safety with employees and employee representatives forms part of this policy.

This policy statement and the accompanying organisational arrangements supersede any previously issued.

D. Detailed Health and Safety Arrangements

1. Accident Reporting, Recording & Investigation

<i>Our arrangements for recording and investigating:</i>	
Pupil accidents: <i>When children have accidents, a slip is sent home, and a record of the accident is recorded in the accident folder (in class / lunchtime and break time folder). For accidents where treatment has been given by a medical team in hospital or via a paramedic in school, where a child is sent home and advised to visit the hospital or doctor / more serious incidents, the Office Manager may record these on My Health and Safety accident online system, which is monitored by the Staffordshire Health, Safety and Wellbeing Service. Accident trends are also recorded in the folders (a map of the school and playground is included so staff can put a cross on the sheet where the accident occurred). This information is analysed on a termly basis by the Headteacher, Office manager and Premises Manager. All accidents/incidents will be subject to review and investigation by the Headteacher, Office Manager and Premises Manager to ensure that, where appropriate, action is taken to prevent a recurrence.</i>	
Staff accidents: <i>All staff, volunteer, supply teacher, visitors (adults in school) accidents, incidents, near misses and dangerous occurrences must be reported to the Office Manager and added to the accident book. For accidents where treatment has been given by a medical team in hospital or via a paramedic in school, or where an adult is sent home and advised to visit the hospital or doctor / more serious incidents, the Office Manager may record these on My Health and Safety accident online system, which is monitored by the Staffordshire Health, Safety and Wellbeing Service.</i>
