

A Message from Mrs Kee

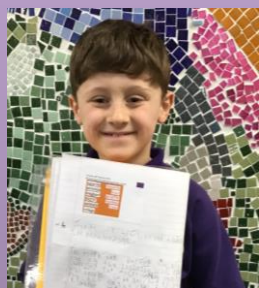

This week I have been incredibly proud of our team of staff at Violet Way, who have pulled together in the event of staff absence to ensure the continued smooth running of school for our pupils. They have taken on different roles, covering staff absence and have continued to smile – thank you.

We have some children who have demonstrated our value 'We are brave' and have risen to the challenge I set last week! Last week I challenged the boys in school to complete and share some writing with us and we received some lovely writing, including a letter and a homemade book – well done! Kestrels have also had a 'double whammy' this week as they are the class with the best attendance in school and were the winners of the reading prize for being the class with the most reading log entries this week – a super achievement Kestrels! I am sure they will enjoy reading the new addition to their class book box.

I have really enjoyed awarding lots of Headteacher's Awards this week for a range of reasons, including effort in maths, writing, teamwork, perseverance and achieving personal goals. Look at all those happy, smiling faces! Well done!

In assembly this week, we listened to the Aesop's Fable 'The Tortoise and the Hare' and related this to our value 'We celebrate individuality'. The Tortoise is confident and believes in his own ability. He wins the race, despite being a slower animal. In the end, the hare apologised to the tortoise for being mean at the start. We are all different and unique and we set our own personal goals of what we want to achieve. We encourage our pupils at Violet Way to respect and celebrate each other's individual differences. There is a lovely book that you can watch this weekend all about celebrating individuality: [IT'S OK TO BE DIFFERENT- READ ALOUD CHILDREN'S BOOK – YouTube](#) I'm sure you'll enjoy watching this with your child.

Wishing you a lovely weekend. See you next week, *Mrs Kee*

Attendance

Whole School (this week)	92.11%
Reception	89.20%
Year 1	91.69%
Year 2	95.40%

Congratulations to
Kestrels

for being the class with
the highest attendance
this week! Well done
on your fantastic attendance
this week.

**Make sure your child
attends school every day so that
they get the most from
their education.**

Merit Award Winners

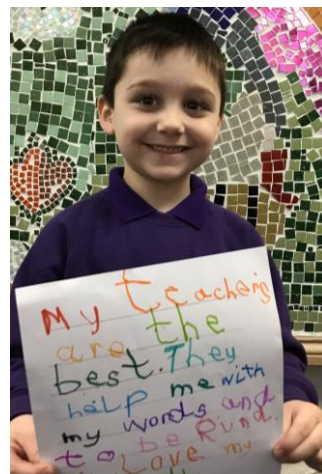

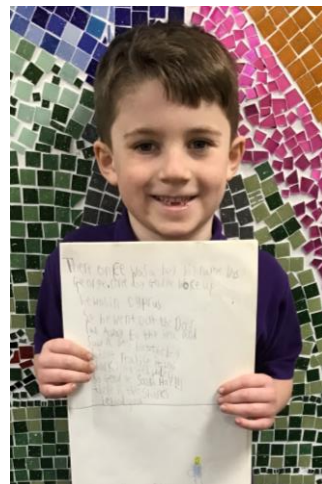

Home learning

It has been a pleasure to look at and read the home learning from pupils across the school this week. Such effort and care has been taken to complete their home learning challenges. Well done! Thank you for parents for motivating and supporting pupils with their home learning challenges.

Communication – Pupil Absences

IMPORTANT NOTICE – PLEASE READ CAREFULLY

We have had some parents emailing class teachers to inform them of their child's absence. We thank you for providing this information to class teachers however we politely request that all absences are reported to the school office. Please call into school to speak to the office staff or leave a message on the answer phone to inform us of any absence. You can also email office@violetway.org If you wish to email your child's class teacher, you may do this as well, but all absences **MUST** be reported to the school office. This is to ensure that all absences are correctly reported and recorded properly. Thank you for your support and understanding.

Parent Meetings

Our next parent meetings are scheduled for Monday 28th February and Tuesday 1st March.

We have listened to parent feedback and would like to provide a hybrid offer of Teams and face-to-face meetings to suit parents. We understand that many parents work and find it easier to attend meetings virtually via Teams. Some parents prefer to have a face-to-face meeting in school.

In order to ascertain the demand for Teams and face-to-face meetings, class teachers have shared an MS Forms survey for parents to inform us of their preference for the type of meeting they would like to attend.

Please complete the survey by Tuesday 25th January at the latest.

After this point, we will collate the information and will be able to plan the two evenings. We will of course keep you informed.

Many thanks for your support.

Covid continues....

Thank you to parents for continuing to LFD test when advised. Confirmed cases are relatively low in school and we continue to keep measures in places.

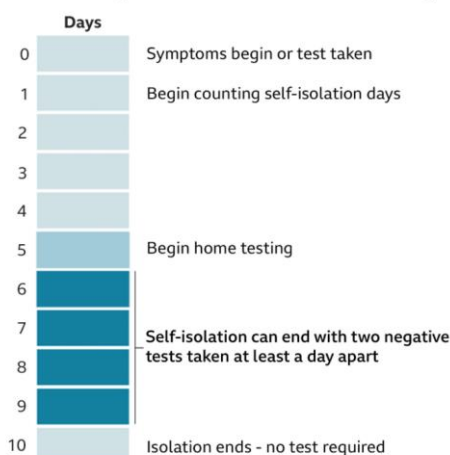

We will continue to communicate regularly with the Local Authority as appropriate and follow any guidance as required. Although we do have a few positive cases in some classes across the school, we continue to monitor the situation daily. There has not, at this point, been a spike in cases and we continue with our current measures, which includes:

- good hygiene practices, reviewed with children regularly
- ventilation (keeping windows open slightly to allow air flow)
- good cleaning routines
- systems in place for informing close contacts
- staff continue to LFD twice per week and daily if identified as a close contact
- anyone with symptoms to isolate straight away and get tested
- parental events postponed currently
- educational visitors asked to wear masks
- risk assessment in place

We are not currently having whole school assemblies in the hall. Children will have their Monday and Friday assemblies in year groups. Mrs Kee continues to regularly review the situation and will keep parents informed.

The diagram opposite explains the current isolation Expectations. You begin isolation the day after Symptoms or a positive test. You have to isolate for at least five full days. You can LFD test on day five and day 6 (24 hours apart) and if both tests are negative, you can finish isolating immediately. If the tests are positive you continue to isolate up to 10 days or when you have two negative tests 24 Hours apart.

How five-day isolation rule works in England
