

## Violet Way - Lyrics

### Verse

I was taught by you  
And I think you know when  
But unfortunately it must come to an end

Look at me now  
At how much I've learnt  
I don't know how  
But I suddenly lose control  
There's a feeling within my soul

Just one look and I can hear the bell ring  
One more look and I will miss everything  
OH OH

### Chorus

Violet Way  
Here we go again  
My my  
Guess how much we'll miss ya

Violet Way  
Does it show again?  
My my  
Just how much we'll miss ya

Yes we'll be broken hearted  
Blue since the day we parted  
My my  
Will I ever let you go?  
Violet Way  
Now I really know  
My My  
I will never let you go

### Verse

I've felt happy and loved  
Cos of the things that you do  
I can't count all the times  
I've been hugged by you

Look at me now  
At how much I've learnt  
I don't know how  
But I suddenly lose control  
There's a feeling within my soul

Just one look and I can hear the bell ring  
One more look and I will miss everything  
OH OH

### Chorus Repeat
