

Dear Parents and Carers,

### Curriculum and Trip Information

Our topic next term is 'Minibeasts'. During this topic the children will learn about different minibeasts, their habitats and life cycles. We will have a variety of opportunities to see the wonderful world of minibeasts. The children will explore the woodlands during a minibeast hunt and observe minibeasts within the classroom. These enclosures will consist of a wormery, ant colony and caterpillar enclosure.

We plan a WOW opportunity for all our topics and for this topic we will be visiting Conkers on **Tuesday 7<sup>th</sup> June**. During this trip the children will have the opportunity to find minibeasts on a nature walk and learn about them using the interactive learning station and 4D cinema.

In order for this trip to go ahead we are asking for a contribution from parents of **£12.19** per child. The coach costs £6.20 per child and the admission into conkers is £5.99 per child, which is a total of £12.19 per child. Please pay this via the Parent Pay app.

We are also asking for parent volunteers to join us on this trip. The volunteers will be required to meet us at Conkers and join their child's class for the trip. They will be required to look after a group of children not just their own child. If we are oversubscribed with volunteers, we will pick names out of a hat.

Thank you again for all your support.

Yours sincerely,

Briony Marler  
Reception Leader
