**Age range EYFS/ Reception**

Dear Reception,

Please find this week's learning. Our new topic is 'At the seaside'. Our key book is 'The night Pirates'. You will find a link to the story below.

**Please aim to try and complete 1 maths, reading, phonics and writing activity a day.**

**If possible, please take part in the Ruth Miskin daily phonics lesson** will be a great way of your child learning their phonics.

We have added printable sheets at the bottom of this for those people who wish to use them. **There are 100s of free printable activities related to the seaside on Twinkl.**

**If you haven't got access to a printer and would like resources to be printed, please contact your teacher and we can arrange for packs to be made.**

Thank you so much to everyone who took the time to email your teacher. We loved seeing all your learning. We'd also love to hear from you any tips on useful websites or learning you have used that other parents would find useful.

Thank you for all your support. We really appreciate all you are doing.

Take care and best wishes from the Reception Team

# Under the Sea Learning Challenge

Talk to a grown-up about how to stay safe around water.

Find out 3 facts about a creature that lives under the sea, to share with the rest of the class

Imagine you have found a magic shell. You can have one wish. Draw a picture to show us what your wish would be!

There are lots of fish under the sea. Can you think of 3 other words that end with 'sh'?

Some animals that live under the sea have fins to help them move around. Other animals have legs to move around with. Can you think of some sea creatures that have fins and some that have legs?

Have a look around your home and find 2 things that you think will float and 2 things that you think will sink. Ask a grown up to help you test if you are right.

## VIOLET WAY MERITS ARE BACK!

At Violet Way we are enjoying having some of our children back in school and they are working so hard. Class teachers also know that children at home are working really hard with their home learning from all of the email updates we have been getting.

We would like to celebrate all of the hard work children have been doing both in school and at home by giving out weekly merits. Although we can't celebrate them altogether in our merit assembly we can share our merits on the school website and email merit certificates to the children so they have one to keep.

Each Reception and Year 1 teacher will choose a merit for someone who has been working hard in school in their bubble and a merit for someone who has been doing some brilliant home learning. Year 2 teachers will choose a merit for home learning and for a child from the Year 2 Key Worker bubble.

Please make sure you keep emailing home learning to class teachers so they can see what you have been up to.

We look forward to giving out some merit certificates very soon!

## Summer Reading Challenge 2020

Dear Parents

This year's Summer Reading Challenge has launched at the start of June. The Summer Reading Challenge takes place every year during the summer holidays and normally children attend their local library to complete it. This year due to COVID -19 it will take place online. It's free to join and this year the theme is 'The Silly Squad' There are lots of activities on the website linked to the reading challenge to keep the boredom at bay and also to keep the children's interest and enjoyment in reading. It will also provide you with more texts that you can access to read with your children whilst you are at home. To complete the reading challenge you need to go to the following website and join:

<https://summerreadingchallenge.org.uk/>

We want as many children to complete the reading challenge as possible. You have till September to complete it. We look forward to hearing all about you completing the challenge in September.

Happy Reading

Mrs Williams  
Deputy Headteacher
