- Oxford Owl has free eBooks - you can also complete a short assessment with your child to find the right stage to start reading from.
- Practise the 100 tricky words in the back of your child's reading diary. Your child should be able to read these by the end of Year 1.

Watch the video of Mrs Williams reading the book On the Way Home by Jill Murphy. After reading can you:

- Can you think of some new characters for the story that Claire could meet on the way home?

Now watch the videos with the teachers telling their new part of the story:

- Can you act out a new part of the story like your teachers have in the video with your new character? Think about what they look like, where did they come from and how they made you hurt your knee.
