## A Message from Mrs Kee

We've had a jam-packed week at Violet Way! To start our Anti-bullying Awareness week, the children wore their odd socks on Monday to celebrate individuality. We talked about the acronym STOP (Several Times On Purpose) as a way of distinguishing between falling out and bullying. The theme this year was 'Reach out' and children created their own design of hands 'reaching out' as part of their learning about anti-bullying this week. Children shared with each other who they would speak to if they are upset or worried about anything.

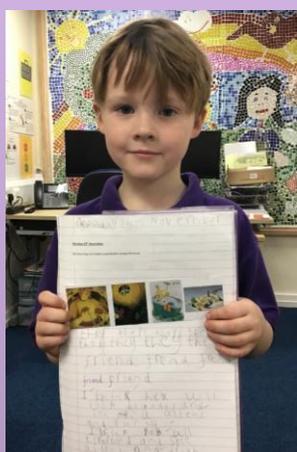

Reception pupils have had their dentist play and stay session. Thank you to Mrs Gaynor for supporting us with this. Parents were able to find out about how to support good dental hygiene and then join in with some dental-themed fun activities in class. The Reception pupils also enjoyed a visit from robots today! They created their own robots and were thrilled to test them out!

Year 1 enjoyed their disco on Thursday and were displaying some amazing moves! Mrs Williams didn't know some of the more popular songs and felt a bit left out for not being 'down with the kids'! Thank you to the staff and PTA for their support – disco divas!

It was also Children in Need day today and we dressed up in yellow and spots to raise lots! The children have enjoyed participating in some Pudsey-themed activities and have found out a little bit more about what happens to the money raised and how it supports other children. Thank you for your support, kindness and generosity. It is so important to be kind to each other. How will you be kind to someone this weekend? Little things make a big difference.

Remember our Parent Reading sessions are next week – see 'Dates for your Diary' section of the newsletter. Have a lovely weekend, *Mrs Kee*

## Attendance

Whole school (this week)	94.11%
Reception	97.11%

Reception classes are on a roll! The classes with the highest attendance have all been Reception classes for the past three weeks!

Congratulations to **Foxes**

**Make sure your child attends school every day so that they get the most from their education.**

## Year 2 - Planetarium

Here are some photographs from the Year 2 Planetarium in school. The dome took up a lot of space in the hall! Inside, the children were able to see space images projected onto the ceiling of the dome. They were able to become immersed in the rockets, planets and shooting stars moving all around them! The children showed our value 'We are brave' as they cautiously stepped into the dome and were thrilled with what they saw once the show had begun.

## Speak out Stay safe and 'Pants'!

Parents have already received a letter about the NSPCC 'Speak out Stay Safe' assembly we will be delivering in school next week. As part of the assembly, we cover the NSPCC PANTS rule (the underwear rule). Children meet 'Pantosaurus' who delivers an important message through a fun song!

**All children have the right to:**

- ✓ speak out and be heard
- ✓ be safe
- ✓ get help when they need it.

Parents can find out more and support your child at home by clicking on the following links:

## Children in Need

We had a great day today raising money for Children in Need. The children enjoyed coming to school in their special Children in Need day outfits and enjoyed 'Pudsey' themed activities as well as a special spotty iced cake at lunchtime! Thank you so much to everyone who has donated already, if you haven't yet donated £1 to Children in Need for today's non uniform day, please go to ParentPay to donate. Thank you.

## No Trading Thank you!

Although we are happy for children to bring in awards from home to share in our Merit Assembly, or items that they wish to share with their class, please can we remind all parents that children should not be bringing toys in from home. The reason for this is that they can get easily damaged or lost and this can cause unnecessary upset that can impact on behaviour or learning for the rest of the day. We have also had problems with children wanting to 'trade' or swap items (cards, small toys) without parents' permission, or they swap and then realise that they want their item back! This causes upset for both parties.

Mrs Kee has spoken to a couple of children who have said that children are allowed to trade at Edge Hill. Mrs Kee has explained that children at Edge Hill are older and, at Violet Way, we are not allowed to swap and trade items from home. Mrs Kee has said that, once collected by their parents, if parents are together with the children, then they can talk to them if they would like to swap, and parents can then make that decision. The children accepted and understood this.

## Considerate Parking

Please can all parents be mindful of where they are parking during drop off and collection. We have received reports from local residents where parents have parked in front of driveways. It is important to show 'We care' and be considerate of our local residents. They need to have access in and out of their own property. In addition, I have been shocked and surprised to hear that some parents of pupils at Violet Way have parked over driveways and then, when asked by residents to move, they have become aggressive. Please be considerate of our local residents.

If anyone has concerns about parking, information about how to report parking problems near schools can be found on this website: [Parking near to schools - Staffordshire County Council](#)

## Cake Shop Next Week!

Our next cake shop will be on **Friday 25th November at 2:15pm** and proceeds will be going to the Teenage Cancer Trust.

## Christmas – Santa's Bike Toy Run!

We have been asked to be a 'donation station' for the Santa Bike Toy Run, supporting Derek's Trees charity.

Derek's Tree support families living with hardship and may be facing extra struggles this Christmas. No child should wake up on Christmas morning and find that Santa couldn't make it to their house this year.

If you are able to donate a new toy to help us support this year's Santa Bike, we would really appreciate it.

Please bring any donations to the office by **2<sup>nd</sup> December**.
